“ Stan and Laura,
My deepest condolences on the loss of Jason. I never had the pleasure of his acquaintance, but viewing the photos in this tribute shows many of the same pleasures you had as I did watching my own son of about the same age. Words can't express the sorrow you are feeling, but know we hurt with you.

May God ease your pain.

“ Oh Sadie.....thank you so much for your thoughts of us and Jason. He told us how much he liked you and how you tried to help him with his mental illness. We will be forever grateful for your care of him. We prayed constantly that God would heal him and help him find happiness and I guess this is an answer to our prayers....just not the outcome we wanted. Please pray for us his parents and his precious sons, Xavier & Corwin.
